02/22/2023		Rivian	Manufacturer Safety recall issued - NHTSA #23V-109 - Recall #FSAM-1166 RRC-72-23-001 ALR Incorrect Status - Status: Remedy Available

Call 1-855-748-4265 to schedule an appointment

⊖ **Learn more about this recall**

Description: Rivian has determined that on certain R1S and R1T vehicles, the front passenger seat belt system does not comply with FMVSS 208 S14 which requires certification to frontal barrier belted and unbelted crash test performance requirements. This condition may result in a noncompliance with FMVSS 208, Occupant crash protection.

If a passenger is seated in the front passenger seat and the seat belt automatic locking retractor is reporting on incorrectly, the passenger air bag may not deploy as intended. In the event of a crash which is supposed to deploy the front passenger air bag, the occupant may have an increased risk of injury due to a reduced deployment or lack of deployment.

Remedy: Your Rivian Mobile Service Technician or Rivian Service Center will inspect and replace, if necessary, passenger seat belt system components in the affected vehicles.

Rivian

Manufacturer Safety recall issued

- NHTSA #23V-233
- Recall #FSAM-1216 RRC-82-23-001-1: Replace Backup Lamps Due to Regulatory Visibility Requirements
- Status: Remedy Available

Call 1-855-748-4265 to schedule an appointment

⊖ **Learn more about this recall**

Description: Rivian has decided that certain model year 2022 2023 Rivian R1S vehicles fail to conform with Federal Motor Vehicle Safety Standard No. 108 Lamps, Reflective Devices, and Associated Equipment."

When the vehicle is in reverse, the back-up lamps will illuminate. However, the optical center may not be visible from the specified planes. This noncompliance may affect visibility and potentially increase the risk of a crash.

Remedy: Rivian will replace the backup lamps that do not meet regulatory visibility requirements.

**Glossary****First Owner**

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
